Cradles to Crayons

8/17/2017

Dear Lisa Camacho,

Thank you so much for your recent donation to Cradles to Crayons. We appreciate the time you took to collect and drop off children's items. Your items will be processed, packaged, and distributed to thousands of children across the Commonwealth who lack the essentials they need to thrive at home, at school, and at play.

Families living in poverty often stretch their budgets just to pay for rent and groceries. In these situations, buying a coat, new shoes, or educational toys or books is simply not an option. Your support is crucial to these families.

This year our goal is to make sure that 145,000 children get the essential items that they need. Thank you again for making this goal possible.

Please be advised that your donation may be tax deductible under federal law and that this form acts as your receipt for reporting purposes.

Sincerely,

Lynn Margherio
Founder and CEO
Cradles to Crayons
