Dear Bill,

On behalf of the children, families and individuals that we serve, I would like to thank the House of Sufism for their recent donations of Au Bon Pain baked goods. We truly appreciate your support. This donation makes an immediate difference in the lives of those we serve. Thank you!

We recognize and value the vital role that your generosity plays in allowing us to continue serving the community. We are currently offering affordable, nationally accredited childcare and after school care, emergency food assistance, senior support services, and volunteer and community outreach programs such as parenting, yoga, and karate classes. Our Emergency Food Program is expanding, serving more homebound seniors through Free Farmer's Markets and working to provide more fresh produce and nutritious foods to families and individuals who utilize our food pantry.

East End House has been offering vital programs and services to children, families, and individuals in East Cambridge, Cambridge and the surrounding communities since 1875. With your help, we will continue to improve upon existing programs and adopt new programs that reflect the needs of an ever-evolving community.

Your gift is 100% tax-deductible and in accordance with IRS regulations, no goods or services were provided to you in consideration for your donation. Thank you again for making a difference at East End House!

Warm Regards,

Michael J. Delia
