

East End House
Inspiring Achievement. Strengthening Communities.

July 6, 2016

Sufi Service Committee of Boston
84 Pembroke St.
Boston, MA 02118

To Whom It May Concern,

On behalf of the children, families and individuals that we serve, I would like to thank the Sufi Service Committee of Boston for their recent donation of Au Bon Pain pastries valued at \$240. We truly appreciate your support. This donation makes an immediate difference in the lives of those we serve. Thank you!

We recognize and value the vital role that your generosity plays in allowing us to continue serving the community. East End House supports more than 5,000 children, youth, adults and seniors with a continuum of need-responsive programs and services that nurture families and draw together a vibrant community. The agency currently offers affordable, nationally accredited childcare and afterschool care, emergency food assistance, senior support services, community outreach programs and health and wellness classes. The Emergency Food Program continues to expand, serving even more Cambridge community members. East End House continues to work to provide more fresh produce and nutritious foods to families and individuals who utilize the food pantry.

East End House has served the residents of Cambridge and surrounding communities for 140 years, providing a wide range of programs and services to a diverse population to strengthen family and community. With your help, we will continue to improve upon existing programs and launch new programs that reflect the needs of our ever-evolving community.

Your gift is 100% tax-deductible and in accordance with IRS regulations, no goods or services were provided to you in consideration for your donation. Thank you again for making a difference at East End House!

Warm Regards,

Michael J. Delia
