ITEM(S) DONATED: pastries

On behalf of everyone at **Hearth**, thank you very much for your generosity. Your in-kind donation is greatly appreciated.

For twenty-five years, Hearth has been dedicated to ending elder homelessness. Through housing, outreach, and advocacy, the staff and board of Hearth are committed to not only providing housing for the elderly homeless but also to raising awareness about this growing problem. Our model of permanent, affordable housing with onsite support services is a recognized best practice around the country. And, Hearth's award-winning Outreach Program works with over 350 homeless and at-risk elders each year, helping them secure housing and connecting them with needed services that help them stay in housing.

Your gift improves the lives of the vulnerable elders we serve. Thank you again for your kindness.

Sincerely,

*Mark D. Hinderlie*
