

International Institute of New England

February 7, 2017

House of Sufism - Boston
ATTN: Mo Nooraee
84 Pembroke Street
Boston, MA 02118

Dear Mo,

On behalf of the International Institute of New England, I would like to thank you for your in-kind donation to our Boston site.

In Fiscal Year 2016 (October 1, 2016 – September 30, 2016), in kind donations totaled more than \$90,000 and that doesn't include volunteer hours! These contributions ensure that the Institute continues to deliver quality services across our sites in Massachusetts and New Hampshire.

Since 1919, the International Institute has provided assistance to the most vulnerable and underserved populations of New England. We continue to be in awe of the selflessness and generosity of our volunteers and supporters like you. You are now, and will continue to be, a significant part of the Institute's efforts to help our clients reach self-sufficiency.

We have included a general list below of gift items made between December 1 and December 31, 2016 for your convenience.

Thank you again, and we look forward to sharing with you our continued success in the future.

Sincerely,

Jeff Thielman
President and CEO

*The International Institute of New England is a tax-exempt 501(c) (3) organization.
No goods or services were received in connection with this gift.*
