Dear Friend of WLP,

Thank you very much for your in-kind donation to Women's Lunch Place. These items will put a smile on the faces of the ladies who come to us for help. So many of our guests never receive a special gift or cannot afford items like the ones you gave us. Your generosity helps our guests feel cared for and secure.

We would like to extend our deepest gratitude from the WLP community for your continued support during these uncertain times. The women we serve are counting on us to stand with them as we face the challenges of the COVID-19 pandemic. These women, who fight daily to survive homelessness and poverty, are now facing a daunting new reality.

Women's Lunch Place remains open and serving women every day. We are continuing to maintain all three of our core service areas – healthy meals, direct care and advocacy. To keep our guests safe, we have temporarily shifted to take-out meals. Each day we are providing a nutritious breakfast and lunch with extra snacks to sustain our guests. Toiletries and other basic necessities are available. Our advocates are checking in with elderly and shut in guests and delivering pantry baskets of food and supplies.

Information and updates are always available on our website at <https://womenslunchplace.org>.

With gratitude,

Jennifer Hanlon Wigon
Executive Director
